

21 Questions to #VibeCheck your Tinder match

Remember the iconic 36 questions to fall in love? Well, this is our 2021 version for Valentine's Day in a pandemic, when digital dating is the way we're all meeting new people. Co-authored with a leading psychologist (so you know this is the real deal), this series of questions is primed for your next Video Chat date that will help you break the ice and give you something more to ask than "Hey, how's lockdown treating you?".

Whichever ❤️ team you're in and whether you have video date(s) planned or not, just don't forget to let your hair down and have fun this Valentine's Day. We should all feel better knowing that no matter what we do to woo our match virtually or IRL, 10% of 18-25 year olds fall in love at first sight anyway 🤖 While others say it can take them a few weeks (29%) and some up to a few months to fall in love (37%) . 17% of 18-25 year olds just like to take their time (and that's fine too!) saying they fall in love within the first year or longer. And for the remainder (8%) they just haven't fallen in love yet^[1]!

Whether it's love at first sight or someone that simply sparks your attention, find out if it's a match made in heaven with a little help from Tinder.

21 questions to really get to know your match in time for Valentine's Day ^[2]
